

MODDUS TANK MIX LIST

The following tank mixes have been tested for physical compatibility with MODDUS at recommended rates of use and will mix in the sprayer tank. No tests have been undertaken on crop safety or product performance, therefore use is at the user's own risk. Syngenta UK Ltd will support the physical compatibility of 2-way tank mixes of MODDUS + chlormequat (classed as one product) with any of the fungicides, herbicides, insecticides or PGRs listed except in the case of spring oats (see notes). For further information on compatibilities, contact Syngenta UK Ltd on 0800 1696058.
