

Tillage-Live 2017

Events

04.09.2017

Event details:

Date: 14/09/2017

Time: 08:00 - 15:00

"Tillage-Live provides a unique opportunity to not only see all the latest equipment at work, but also discusses new ideas with industry-leading experts."

Come to our stand and talk to our experts to see how application techniques can make a difference to your pre-emergence performance this season. #LowSlowCovered
