

## Potato Science Live 2018: Swaffham

Events

01.02.2018

# Syngenta POTATO SCIENCE

Potato Science Live is an exciting way to experience the latest developments in potatoes and is your chance to see how they will enhance crop decisions this season and into the future.

### Agenda:

The latest application trials in potatoes - how to optimise your application techniques going forward - Harry Fordham, Syngenta Application Champion

Blight update - AHDB and Syngenta

A review of insecticides and an overview of the exciting new technology Syngenta is developing - Dr Max Newbert, Field Technical Specialist for Syngenta

Getting more from less - Trelleborg

A summary of the latest trials work Syngenta have conducted - David Wilson, Syngenta Area Manager and Gillian Colman, Syngenta Area Manager

### Event Details:

**Date:** 01/02/2018

**Time:** 09:00-13:00
