

Breakfast Meeting 2018: Haddington, East Lothian

Events

14.02.2018

Fill up on a full Scottish breakfast and meet with farmers in your area to discuss topical issues. Hear from your local Syngenta contact about how to get the best from your crops in 2018:

- Advice on how to adapt your fungicide and PGR strategy according to your own situation
- Discover how ELATUS™ ERA performed in both wheat and barley in 2017
- Application techniques to get the best from your spring herbicides
- Oilseed rape canopy management and disease control
- Growing HYVIDO® and the benefits of having it in your rotation

BASIS and NRoSO points will be available.
