

Breakfast Meeting 2018: Pastures Lodge, Mexborough

Events

01.02.2018

Fill up on a full English breakfast and meet with farmers in your area to discuss topical issues. Hear from your local Syngenta contact about how to get the best from your crops in 2018:

- Advice on how to adapt your fungicide and PGR strategy according to your own situation
- Discover how ELATUS™ ERA performed in both wheat and barley in 2017
- Application techniques to get the best from your spring herbicides
- Oilseed rape canopy management and disease control
- Growing HYVIDO® and the benefits of having it in your rotation

BASIS and NRoSO points will be available.

We look forward to seeing you there.
