

## Hampshire in-field meeting 2018

Events

08.03.2018

We would like to invite you to our Hampshire in-field meeting on Thursday 8th March 2018.

### **Agenda:**

We will be meeting for breakfast, followed by an update from our Field Technical Advisor, Iain Hamilton, on developments in fungicide resistance in wheat and barley and how you can best manage this on your farm, utilising both cultural methods and existing crop protection products.

We will also cover latest agronomic recommendations on hybrid barley and our new PGR decision tool.

Please bring questions!

Weather-permitting we will then hope to visit our nearby wheat trials by kind permission of Paul Sigley, Stern Farms.

BASIS and NRoSO points will be available on the day.
