

Luton T2 meeting

Events

02.05.2018

T0s at Syngenta's Luton site applied in perfect conditions

Syngenta have the proud honour of inviting you to our third field meeting of the 2018 season at our Luton Platform Site. By kind permission of Ben & Joe Cole.

Topics:

Syngenta variety screen - Showing off some of our new & existing varieties

Hybrid Barely Split field - Showcasing two of our new varieties

Oilseed Rape & Pulse update

Operation pollinator

Discussions:

T2 options in cereals including new SDHI Technology

Disease pressures and how to tackle disease

We will have two guest speakers:

Rex Hedges from Olivers Agriculture demonstrating the New Horsch Leeb sprayer

Harry Fordham - Syngenta Application Champion - giving us an update on application and application practices

Registration is at 15:00 with the meeting starting at 15:30. We will finish the meeting off at the Bright Star Pub in Peters Green with some freshly prepared food and drink.
