

## **An Apprenticeship with Syngenta is a pathway to an exciting career**

Syngenta  
07.02.2019

An apprenticeship with Syngenta in Huddersfield can lead to a rewarding career in a STEM discipline: Science, Technology, Engineering or Manufacturing.

In our four short videos below, take a moment to hear from our Apprentice Managers and our Apprentices based at Huddersfield. Hear from our science apprentice, Shauna Moss; Our manufacturing apprentice, Sam Chatha; And our engineering apprentice, Charlie McGovern. The recruitment window for an advanced modern apprenticeship with Syngenta in Huddersfield is open from January through to the 15th March and you can apply via [www.syngenta.co.uk/careers](http://www.syngenta.co.uk/careers).

Join Syngenta as an apprentice and help build the most collaborative and trusted team in agriculture.
