Dear Paul and colleagues at Sygenta

I just wanted to pass on our sincere thanks for the wonderful donations you have made to school today. The furniture you have made from the reels is far beyond any expectation we had and is a wonderful addition to the environment for our Early Years children. The children are already enjoying them and have been completing activities or sat socialising with each other on them.

The additional donation of £250 will help us to continue to enhance our outdoor provision as well.

Children will benefit from these fantastic donations for many years and help us to continue to provide an exciting learning environment for the children.

Your support and generosity is appreciated by us all. We feel very privileged.

Kindest regards

Jenny Shore  
Head Teacher
