

## JADE TANK MIX LIST

The following tank mixes have been tested for physical compatibility with JADE at recommended rates of use and will mix in the sprayer tank. No tests have been undertaken on crop safety or product performance therefore, use is at the user's own risk. Syngenta UK Ltd will support the physical compatibility of 2 or 3-way tank mixes of JADE with any of the herbicides or insecticides listed. In addition, products **highlighted** have been tested for biological and physical compatibility. For further information on compatibilities, contact Syngenta UK Ltd on 0800 169 6058.
