PEAK TANK MIX LIST

The following tank mixes have been tested for physical compatibility with PEAK at recommended rates of use and will mix in the sprayer tank. No tests have been undertaken on crop safety or product performance therefore, use is at the user's own risk. Syngenta UK Ltd will support the physical compatibility of 2 or 3-way tank mixes of PEAK with any of the fungicides or herbicides listed. For further information on compatibilities, contact Syngenta UK Ltd on 0800 169 6058. **PEAK used alone should always have a non-ionic adjuvant added at the recommended dilution rate (not an organosilicone).**

FUNGICIDES

Comet 200

Opera

HERBICIDES

CALLISTO CAMIX EVOLYA MERISTO Oceal Stomp 400 Stomp Aqua

ADJUVANTS

*Non-ionic adjuvant (not an organosilicone)

Activator 90

TRACE ELEMENTS

Syngenta UK Ltd will support the tank mixing of one of the named trace elements with PEAK. Syngenta UK Ltd advise that the trace element part of the tank mix is added to the sprayer tank last with constant agitation and the mixture is sprayed without delay.

Yara Vita Bortrac Yara Vita Coptrel Yara Vita Ferleaf Yara Vita Magflo 300 Yara Vita Magphos K Yara Vita Maize Boost Yara Vita Mancozin Yara Vita Mancuflo Yara Vita Phosamco Yara Vita Safe N 300 Yara Vita Seniphos Yara Vita Sulphur F3000 Yara Vita Zintrac 700

NOTES

Before using any tank mixture, consult and comply with the recommendations of the partner products. Each product should be added separately to the bulk of the water in the spray tank and thoroughly mixed before adding the next chemical. Always use constant agitation of the sprayer tank during mixing, transportation and application. Spray immediately.

* When applying PEAK alone, always mix with a non-ionic surfactant (not an organosilicone) at the recommended rates of use.

When PEAK is tank mixed with CALLISTO, a non-ionic adjuvant does NOT need to be added.

PEAK is INCOMPATIBLE with Yara Vita Croplift and Yara Vita Foliar Potash.

LERAP: Category B.

Rainfastness: 2 hours

Use plant protection products safely. Always read the label and product information before use. ©Syngenta AG, January 2022
