

## DEFY TANK MIX LIST

The following tank mixes have been tested for physical compatibility with DEFY at recommended rates of use and will mix in the sprayer tank. No tests have been undertaken on crop safety or product performance therefore, use is at the user's own risk. Syngenta UK Ltd will support the physical compatibility of 2-way tank mixes of DEFY with any of the herbicides or insecticides listed. In addition, products **highlighted** have been tested for biological and physical compatibility (please see the DEFY supported tank mix sheet). For further information on compatibilities, contact Syngenta UK Ltd on 0800 169 6058.
