The Buyer shall also pay any reasonably incurred costs of collection in relation to such unpaid amounts.

 - (iii) the Company shall not be liable to the Buyer for any loss of profit, loss of business, loss of business opportunity, loss of revenue, depletion of goodwill howsoever caused (including without limitation caused by the negligence of the Company or its employees, agents or sub-contractors), which arises out of or in connection with the Contract.

7. **Packaging and traceability of Goods; use of trademarks, signs and other indications**

- 7.1 All of the trademarks, service marks and logos displayed on the Goods and any referenced document or website (the "Trademarks") are registered and unregistered trademarks of the Syngenta Group, or third parties who have licensed their trademarks to the Syngenta Group. Buyer shall not reproduce, display or otherwise use any Trademarks without the Company's prior written permission. Unless agreed otherwise in writing, the Buyer is not permitted to use Trademarks, signs and other marks used by the Company, to distinguish its products from those of other businesses, with the exception of trading the Goods in their original packaging on which trademarks, signs and other indications have been applied by the Company (or a member of the Syngenta Group). If the Goods are resold, this provision shall also be imposed upon the Buyer's own buyer and to any subsequent buyers.
- 7.2 The Buyer shall not change or remove any Trademarks (including, without limitation, corporate or trade names and labels, any bag tag, or any indicia of any intellectual property right of any nature whatsoever belonging to the Company), from the packaging of the Goods, unless expressly agreed upon by the Company or otherwise permitted by law.
- 7.3 The Buyer hereby acknowledges that any marketing by it of a Good where a label, batch number, bag tag, or sell-by date has been removed, erased or altered, in contravention of clause 7.2 represents a serious breach of these Conditions. In such a case, the Buyer shall bear all legal, financial and judicial consequences which may arise therefrom, at its sole expense and risk.

8. **Special Conditions Relating to Seed Products**

Where the Goods comprise Seed Products:

- 8.1 A bag-tag setting forth the restrictions of use of the Seed Products by the Buyer and subsequent buyers may be included in the Products' packaging and/or labelling. By using the Seed Products, the Buyer or further buyers confirm his/their commitment(s) to comply with these restrictions. The Seed Products are exclusively intended for the growing of crops for human or animal usage and/or consumption. The Seed Products and the packaging are proprietary to Syngenta Group or its licensors and are protected by intellectual property rights. Unless expressly permitted by law, use of the seed, including the parental lines that may be unintentionally contained therein, for research, breeding or molecular or genetic characterization is strictly prohibited. Buyer shall acquire no rights in relation to parental lines that may be unintentionally contained therein. Buyer further agrees not to remove the bag-tag from the Products' packages and/or labelling. The same restrictions apply to the Buyer's buyers.
- 8.2 The Buyer shall, if requested, give Syngenta access to its premises where the Seed Products are located at any time to enable Syngenta to inspect the usage of such Seed Products. Syngenta shall notify the Buyer of its visit in a timely manner.

 - ii) The Buyer indemnifies Syngenta for any damages Syngenta incurs as a result of any violation by the Buyer of Syngenta's plant breeder's rights or other intellectual property rights.
 - iii) The Buyer undertakes to fully cooperate as desired by Syngenta, including cooperating with the collection of evidence, in the event that Syngenta is engaged in legal proceedings with regard to plant breeder's rights or other intellectual property rights.
 - iv) The Buyer shall report all sales of the Goods as may be required by relevant royalty collecting agencies administering rights in the Goods.
- 8.4 All the varieties currently sold by Syngenta in Europe, Africa and the Middle East have been created using traditional breeding methods without using genetic modification techniques leading to genetically modified organisms as defined in Directive 2001/18/EC on the deliberate release into the environment of genetically modified organisms. The methods used in the development and maintenance of those varieties are designed to achieve high purity standards and to avoid the presence of off-types or genetically modified organisms. Seed production has been carried out in accordance with existing requirements related to marketing of varieties and seed production rules including specified isolation distances. The Buyer acknowledges, that although unlikely, the risk of adventitious presence of genetically modified organisms cannot however be totally excluded.

In this Condition 9.1, “**Brexit**” means the United Kingdom ceasing to be a member state of the European Union (EU), and the nature and extent of any change referred to in the definition of Brexit Event will be determined by reference to the Laws, requirements, environment and/or other relevant circumstances as they existed on 31 December 2021.

10. **Termination**

10.1 If: (i) the Buyer enters into or makes any application to court in respect of, or calls or convenes any meeting for the approval of, any composition, compromise, moratorium, scheme or other similar arrangement with its creditors or any of them, whether under the Insolvency Act 1986, the Companies Act 2006 or otherwise, (ii) the Buyer resolves, or its directors resolve, to appoint an administrator of it, or a petition or an application for an administration order is made in respect of it, or an administration order is made in respect of it, or any step under the Insolvency Act 1986 is taken to appoint an administrator of it out of court, or it enters into administration, (iii) the Buyer enters into liquidation (whether voluntary or compulsory), or a resolution is passed or a petition presented to any court for the winding-up of the Buyer, (iv) any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer, (v) the Buyer is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986, (vi) the Buyer ceases or threatens to cease to carry on trading, (vii) any analogous event to those listed above (“**Events of Insolvency**”) occurs in any jurisdiction, (viii) the Company has at any time reasonable grounds to believe that, on the balance of probabilities, any of the Events of Insolvency is about to occur within 30 days, (ix) the Buyer fails to observe or perform any of its obligations under the Contract or any other contract between the Company and the Buyer, or (x) the Buyer encumbers or in any way charges any of the Goods prior to ownership passing to the Buyer, then:
